

Help preserve coastal prairie by volunteering!

MAKE A DIFFERENCE

Are you looking for an opportunity to do your part for the prairie? Without the support and hard work of our generous volunteers, the Coastal Prairie Conservancy would not be where it is today. Volunteers play a tremendous role with helping to protect and preserve the prairie!

CONNECT WITH NATURE AND OTHER **PASSIONATE** VOLUNTEERS

Volunteers can provide support in many ways. You can help ongoing restoration projects and planting days or become involved in education, outreach, and citizen science. Become a volunteer docent or attend local events to spread awareness. We are so grateful for specialized skills or expertise like volunteer photographers, wildlife & plant specialists, educators, storytellers, and more! Your volunteer efforts will help preserve coastal prairies that benefit people and wildlife forever.

All are Welcome

Corporate teams, service organizations, scouting groups, families, and individuals are welcome to participate in volunteer events on the Katy Prairie Preserve. No experience or expertise necessary. As one long-time volunteer put it, “Bring a love for the natural world, and we’ll provide the rest.”

GET STARTED TODAY!
